Historical Notes: According to Vice News (which has made a documentary of this group), Hippie guru Jay Ram was hailed as a public hero for fostering, adopting, and caring for dozens of boys that had nowhere else to go. But years later, a new picture has emerged. Several of his sons have come forward to say that he preyed on them sexually and forced them to recruit other boys to molest. VICE News has uncovered new evidence that shows that charities and child welfare agencies missed several clear warning signs, and continued to place new children in Ram's care. Until now, he has never faced justice. The commune lived in CA and then moved to the island of Hawaii. During the CA years (?) Ram was known as Wandering Eagle. According to the Hawaii Tribune Herald (April 15, 2014, Ram was to go on trial April 2015, but no further information could be found. <http://www.vice.com/video/love-serve-surrender-an-alleged-pedophiles-perfect-scam>
