

## Collection Summary

**ID Number:** CS 047

**Title:** Baca Grande Ranch Project Collection

**Extent:** 1 Folder

**Span Dates:** 1980s

**Language:** English

**Geographic Location:** Colorado

**Abstract:** The Baca Grande Ranch Project Collection consists of articles and other items from the Baca Grande Ranch community in Colorado from 1982.

**Historical Notes:** In the late 1970's, Canadian businessman, Maurice Strong, purchased a large piece of property in Colorado's San Luis Valley.

Information on what his plans for the property are confusing, but it seems as though he intended it as an ecological and religious social experiment.

Through the years he served several roles with the United Nations, frequently affiliated with environmental concerns. **Sources:** [Baca Grande Ranch Project](#)
