Historical Notes: Synchronicity Sanctuary is the headquarters for Synchronicity Foundation for Modern Spirituality, located in the Blue Ridge Mountains of Central Virginia. The 450-acre sylvan retreat includes residential facilities for the Synchronicity Monastic Community at the Stillpointe Monastery and guest facilities for Synchronicity Retreat participants. Synchronicity Monastic Community members staff the Foundation and collectively share their experience of living a holistic lifestyle with hundreds of visitors every year who come for regular retreats and trainings. Anchored in the practice of Synchronicity High-Tech Meditation, their daily meditation practice, together with their exterior focus in service to the world at large, fulfills the Founders' intention of a holistic lifestyle that actualizes the Synchronicity Holistic Model of Reality. In addition to the monastic community, Synchronicity also hosts a growing secular community residing in the local area surrounding the Sanctuary. Included in this community are professional people from all walks of life who endeavor to make a modern spiritual lifestyle their primary focus and want to live close to the Sanctuary and Master Charles Cannon as a means of actualizing this holistic intention. Among this special group of individuals are a number who have taken on major roles or are involved in significant and ongoing projects within the evolving world of the Sanctuary. Most importantly, the Synchronicity Monastic and Secular Communities work closely together under Master Charles Cannon's empowering guidance to assist in the actualization of his vision of a truly Modern Spirituality. In 1970, while still in his early twenties, Master Charles became one of the closest Western disciples of Paramahansa Muktananda, among the most well-known and highly acknowledged Eastern mystics of the modern era. From 1970 to 1982, Master Charles was extensively trained in orthodox, Vedic/Tantric philosophical contexts and was ordained a monk of the Vedic Order of Sannyasins, the oldest existing monastic order in the world today. His monastic name is His Holiness Swami Vivekananda Saraswati. **Sources:** <https://synchronicity.org/>
