**Historical Notes:** Dragonfly is an intentional community that was started in 1978 in Lake St. Peter, Ontario. It is 250 acres of gorgeous cottage country surrounded by hundreds of acreages of similar properties." According to the Vickars article in this collection, Vickars and Jim Campbell started a co-op house in the 1970's to reduce the cost of living while at the University of Waterloo; this became known as the Fairview Collective. This cooperative purchased the property that became Dragonfly. Ideals were based on 1960's activism/anarchism. **Sources:** [http://blog.digitalgrub.ca/?page\\_id=2](http://blog.digitalgrub.ca/?page_id=2)
