

## Collection Summary

**ID Number:** UA 012

**Title:** University Core Curriculum Collection

**Extent:** 2 Boxes

**Span Dates:** 1980's – 2010's

**Language:** English

**Geographic Location:** Indiana

**Abstract:** This collection consists of booklets, brochures, minutes, and other items from the University Core Curriculum program at the University of Southern Indiana in Evansville, Indiana from 1982 to 2014.

**Historical Notes:** During the 1980's and 1990's, ISUE/USI wanted to enhance learning opportunities through various courses. In the 1985 fall semester, the old Humanities Division created "General Education Reform Committee": it created "a plan for a coherent and meaningful Humanities General Education program." Upon receiving a \$20,000 grant from the National Endowment for the Humanities, the creation, approval, and implementation of the proposal occurred in the 1989 fall semester. The USI Faculty Senate created two committees, General Education and Advisory Committees along with a list of procedures for modifying the requirements and creating goals and objectives. The University Core Curriculum went into effect in the 1995 fall semester (for all new USI freshman students) and in the 1997 fall semester (for all transfer students). The University Core Curriculum is overseen UCC Coordinator until the title change in 2000 to "director". The University Core Curriculum office is in the Science Center.
