Abstract: This collection consists of photographs, correspondence, programs, and other items from the Kenneth P. McCutchan Art Center and Palmina F. and Stephen S. Pace Galleries at the University of Southern Indiana in Evansville, Indiana from 1947 to 2021.

Historical Notes: The University's art collection is primarily made up of two-dimensional prints executed during the 1970s and 1980s and includes student and faculty work. As the University Art Collection expands, the goal is to acquire a better balance of photography, ceramics, and sculpture. The Art Collection Committee develops the collection through its art collection management plan. Students working with the collection learn art management, gallery work and art collection management. The McCutchan Art Center and Pace Galleries are named after three university donors: Kenneth P. McCutchan (1913-2002), Stephan S. Pace (1918-2010), and Palmina F. Pace (1917-2015).
