Abstract: This collection consists of minutes, memos, reports, and other items from the Student Government Association, Speaker's Bureau, and Activities Programming Board at the University of Southern Indiana in Evansville, Indiana from 1968 to 2019.

Historical Notes:

- The first student association was the Student Interim Government Affairs Committee. They proposed a referendum to approve the first SGA constitution on May 17, 1968, but the vote failed, 22-28. The next referendum was on November 12, 1969, and was approved, forming the Student Government Association; the SGA senate had been meeting since September 23, 1969. The purpose of SGA was to foster student involvement on campus. Student organizations received funding from the SGA senate and new organizations were required to have their bylaws approved by the senate. SGA oversaw all organizations, including the Union Board (now the Activities Programming Board) and The Shield. The senate passed many resolutions in support of issues like campus housing, advisors for student organizations, fall break and independence from Indiana State University. Senators of SGA were elected by class and served as the class officers, along with a President, Vice President, and court. In the early 1990s, a new constitution was approved that radically changed the structure of SGA. It included a House of Organizations that had representatives from all the student clubs, as well as the Senate, which was elected by the student body. Our current Constitution was approved on January 30, 1997, which combined the House of Organizations and Senate to form one General Assembly." USI.edu: Student Government Association (History)
- The USI Speaker's Bureau listed USI faculty and staff who could be requested for speaking engagements by the community. There is no fee to request for a speaker.
- Activities Programming Board (APB) began as Student Union Board (SUB) in 1969. APB is a part of Student
 Development Programs and Student Affairs. The office of APB is located in the University Center. <u>USI.edu:</u>
