**Title:** ISUE/USI Memorabilia Collection

**Extent:** 39 Boxes

**Span Dates:** 1960s – 2020s

**Geographic Location:** Indiana

**Abstract:** This collection consists of t-shirts, buttons, jerseys, and other items from the various departments and organizations at the University of Southern Indiana in Evansville, Indiana from 1965 to 2022.

**Historical Notes:** The University of Southern Indiana began as a regional campus of Indiana State University, opening on September 15, 1965. In 1967, Southern Indiana Higher Education, Inc., (SIHE) raised nearly \$1 million to acquire 1,400 acres for the Mid-America University Center. Groundbreaking was held June 22, 1968. Since September 1969, the University has occupied 330 acres, mostly donated by SIHE. On April 16, 1985, legislation was signed which made USI a separate state university. All legal matters were effective July 1, 1985. On June 30, 2008, SIHE transferred ownership of over 900 acres of land and remaining assets to the USI Foundation.
