Dear Ann,

I received your letter yesterday and was glad to hear from you, although I expected a letter sooner,

Those pictures certainly are crazy, aren't they? I want you to have another set developed for me. Have it done right away, because I'd like to have them.

I supposed your sorta surprised to see me type this letter. Well, I had to type 1200 cards for a man in town, so I decided to stay in the mood. I didn't mind doing it, because it gave me some practice.

I just got back from the grocery store. Got me plenty of things to eat, naturally.

We're having our Bazaar over here Sunday and Monday. We senior girls are going to help serve the meals.

I talked with Coon Saturday night and he said that Eddie was playing at the K. of C. home. Say that's going some. Tell him to keep up the good work.

Well, I finally got a letter from Hip. I almost fainted. Oh yes, I also got a letter from his friend. He doesn't sound half bad. Here's hoping he's O.K.

We're having a hot game over here, Friday night. We're playing Washington. We're also having our Sectional, real soon. Why don't you try to come over for that.

I seen Charlie Gulian Saturday night at the Lake. I talked to him a while. They were drinking, naturally. He wanted me to give take your ring and give it to you, and I told him I thought it was his place to give it to you. I know he still likes you, because you can tell the way he talked. If he'd only quit that drinking.

I seen Kate, Bernie, Mary Alice and Charlie at the show Sunday night. Talked to them a little while. Seen Mary Alice's ring. It's awfully pretty. Wish I had one. Ha, Ha,

Johny Kunkler was here Sunday night and wanted me to go to the show with him. I didn't go with him. I guess I ought to be ashamed of myself, But I just didn't care to go. He's a nice kid and all that.

So you really stayed home over the week-end. Can't hardly believe it. Ha, Ha, We went to the Lake Sat. Night nothing doing though, and Sun. night we went to the show and seen Sweet Rosie O'Grady. It was very good.

Yea, I know Ham and Eddie past for the Air Corp. Here's wishing them all the luck in the world.

I heard Eddie had a girl out from Huntingburg. Is there anything to it, or don't you know anything about it. I wonder who it could of been. Nosey, huh.

We girls might come down to Billy's Sunday night. Not saying for sure. Some kids are coming down from here and we're trying to get a way, that is if we don't have to work to long at the Bazaar. Keep your fingers crossed.

I got a letter from Ernie and a card from Porkie today. They didn't ~~have~~ very much.

Hip certainly writes a crazy letter. You should have heard me laugh when I read it. He's still as crazy as ever.

Well this is a long letter and how about one like this from you.

P.S. Excuse this typing.

As ever,
Doris
