Dearest Ann,

I got your letter today
and sure was glad to
hear from somebody I knew.
Well I just come in from
the drill field. And they
really work the hell right
out of us. But I think this
will be the last week. at
least I hope it is. I am supposed
to be a truck driver.
I hope I get it next week.

Ann I sure am glad we didn't
go to Australia when we
left they all thought we
was going there. But we didn't

2.

Ann that boat ride really
was good after I got used
to it. Our company had to
stand guard duty at night.
And what I mean to tell you
that really was a thrill
to get on top of that boat
not a light in sight well
you couldn't see a thing
but the moon and stars.
And after you get on ~~land~~^{again}
land you really feel safe.
Well Ann I ^{guess} you are out of
school by now. Out every
night having a good, Well I
am for you. I would do
the same thing.

If I had a chance, Ann did
Martin every go to the Army
yet I heard he was in IA
again. I sure hope he doesn't
have to come across. Because
it is really hell. Well I will
have to close for this time
because I can't tell a thing
~~So~~ take care of yourself
and be a good girl until
I get back. Good By now
Am sealing this letter with
a kiss and may god bless the
one who reads this
