Dear Anna

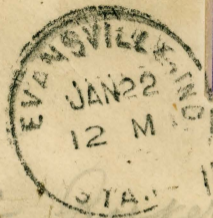

Just sitting around here all by my self reading the paper + hearing the war news. Syl. went to see Bert + Mart. is in bed he said his foot swel is killing him tonite. Well about that trip to Louisville is all off. because that guy we were to go with he said his girl couldn't go this week end because she has to work Sat. nite he said that she could go next Sat. but I told him that I might have to go to the Army by that time. So I guess we just won't go but I sure would like to go before I go to the Army. Well I haven't heard a thing about went I go to the Army + I sure

don't care either. Well I'll be
closing hoping you all will have
a good time Sat. nite. + I'll be
seeing you Saturday. So Good nite
+ may God Bless you
