Dearest Ann:

Well it has been some time ^{since} I have wrote to you, But you will have to forgive me because I didn't know if I was coming or going here of lately, But Ann I just took time out for a little while to write a couple of lines to you, Ann I am with some new guy now I didn't know a soul when I got out here, But I have made new friends already, Ann did you get my picture yet that one I send you a couple of week ago, Ann you asked me to get you something from over here, Ann everything you get over here comes from the States and you just have to paid two time as much you would back there, But Ann if I find something I will sure get you something from over here.

Ann you said that Dad got a new car, Well I sure wish I were back there I could really have a good time all those boys gone and all them women and then if you would do like you try to do last year about this time, I sure would get even with you now wouldn't

I "you know I would"

Ann be sure an take a good
look at my new address, I really miss
my nice home I had but in this man's
army you just have to take the good with
the bad.

Ann what are you doing now days I
guess you are really getting places "aren't
you" Well Ann I will have to call
for this time so how about you writing
more often "please" you just don't know
what it means to me to be getting letters
from, so Ann how about it "please".

Ann Good night + good by now
lots of good luck to you.
