Mr. Geo. L. Mesker,
P. C. Box 1037,
Palm Beach, Fla.

Dear Mr. Mesker:

In closing our books we notice that your letter in reference to the partnership was dated October 19th, 1922 by mistake.

As far as we are concerned, this will make no difference as we understand the transaction, but when the Government Inspector examines our books he will no doubt wish to see this document and this would no doubt cause us some trouble. We, therefore return the letter herewith and would kindly ask that you send us another letter making the date October 19th, 1923.

Yours truly,

GEO. L. MESKER & CO.
