Dear Henry:

Check for \$50,000<sup>00</sup> received  
I bought everything on the list I sent you  
except Bamdall Corp & The broker are  
simply swamped. He said that if he  
had only 5 minutes more he could have  
gotten in the order. To day everything  
I bought is up from 5 to 10 points except  
Anaconda Copper is up 19 points at 3 PM  
which is \$19,000<sup>00</sup> profit. The stock ticker  
is 50 minutes late. There was only 1/2 day  
to day the market closes tomorrow and  
Saturday to give the broker a rest.
