Sunday Evening

Dear June,

Received fountain pen so I will start wearing it out now. Thanks a lot as I really needed one. It seems now that you can't even get me at a P.X.

Went to church today and have been going every Sunday since I left. I am going every Sunday while I am in the Army.

Everything is fine here like it better every day I am in. I really feel better now as my mind is more at ease as I feel like I am doing my part.

I got the pictures to and they are good of us. I intend to take some picture before long and the reason I haven't before now is because you have to have a permit and I hated to go to that much trouble.

Well we start on our second week
tomorrow which will be mostly going
on hikes. You know, that 10 mile job
with the pack on your back. We ran
the obstacle course yesterday which you
have heard so much about and it was
easier than I thought it would be.

We had to climb a rope ladder about
as high as your house and one big fat
fellow fell off the damn thing and I
think it broke his arm. Any way he
was laid out & they had to haul him
away in an ambulance. By the way
they have quite a few W.A.C.'s around
for that kind of work & they are really
hard looking.

I was going to call Mother today
but the operator told me it would take
four hours to get the call through so I let
it go.

Well since I am going to be far
now so keep the letters coming & I will
try to do the same.

Love
Over.
