

Dear June

Just a line to let you know I am alright and ready to go. Now that I am out here I am glad I came this way instead of East.

I was able to bring my addresses with me so send me Jimmie Eades and Ed Neuch's address so I can write them. I couldn't ~~read~~ remember any as these army address aren't easy to memorize.

The west coast is alright and you sure want to see the "Rockies", June. They really are beautiful and I wish I could have spent more time in them.

I was sorry to hear that Bob couldn't go on in the cadets as it would really have been an opportunity for him. The skin tops isn't bad though so he should make it alright.

We will leave here shortly, I guess, although you never know what you will do in the Army. I will write you as soon as we arrive and let you know how I make out.

Tell Mary hello for me and give  
my regards to every body. Write as often  
as you have a chance & I will try and do  
likewise.
