Sunday Afternoon
Feb. 11

Dear June and Morgan,

Well if nothing happens I will get my Master Mason Degree this Tues. night. I found out yesterday that they had heard from Eversville on the 19th of Jan. but was unable to contact Joe as Norton didn't send them my address. His letter said that my address would follow but it never did get here. So I happen to catch them at the lodge and they told me to come in Tues night. So I will wire you all Tues night if I can get in alright.

I was glad to hear that Bob made the flying cadets alright and it will sure be better for him than the draft. The way it works now he

will be in school for almost a year.

Tell him to take a tip from me and really bear down and work hard because it will seem mean more to him than getting put in the ground forces.

We have some boys who flunked out of A.S. J.P. and the flying cadets and they say now that they wished they would have studied harder and kept their grades up because this regular army is no picnic.

They tell how easy the living conditions are and it causes them to become lax in the work but after they spend some time living out and stuff they see what a chance they messed up. So tell Bob to really get with it.

If I am real lucky I may be able to become a Warrant Officer but I hate to get my

hopes up as it looks like things
always work against me really
getting ahead. If I do, I will
make as much as a 2nd Lt.
and live in Officers Quarters
but that seems about like
a dream and to good to be
true.

Well I will close for
now and hope you are all
well. Write when you get
the chance and I will let
you know how I come out.

Love
