

UNITED STATES SIGNAL CORPS

OWEN M. HAMILTON

LEXINGTON, KY.

Sat. Evening,

Dear June,

Received your letter today as was glad to hear from you. What happened over there that would let the republicans get in office? I was happy to hear though, that we finally got in office. I don't don't hear any news from home much and am glad to get all I can.

Mother sent her radio up here and I am going to send her some money to get the big one fixed. I didn't want her to send me her radio as it is a great comfort to her to have it around.

Everything is going along pretty good here and I am studying pretty hard. We will probably take our advancement test about the 27th of this month. So I will be home after that for a couple of days.

The other night the army was out at school and wanted us to ~~not~~ apply for active duty but I decided I would let it go now that I had made up

my mind to stay for awhile.

Well fine - this is a short letter but I am going to the show to night and I want to get an early start, so I will close for now. Tell Morgan hello for me and take care of Max.

Love,
Diana.
