Dear June,

Well Christmas has come and gone and I hope it was a joyous one for you all. I have no kind myself as I really had a good dinner. It was the first time I have ever had more white meat than I could eat. The day was unusually warm; just imagine, sweating over a Christmas dinner.

I started to go swimming yesterday but went into Pondula instead. It seems like I do anymore is go to shows. It's about the best way to pass time although I get to see very few new pictures.

Next week I am going to the island of Hawaii for a

little vacation. From what
I hear, it is a pretty nice island
so I am looking forward to the
trip.

Well June, this isn't much
but I wanted to wish you all
the season greetings. Hope you
are all well.

Your Brother
Owen.
