

Oct. 5

Sunday Afternoon,

Dear June,

Received your letter yesterday and would have written you before now but I have been pretty busy.

Things are going along pretty good here and I think I will get along alright. We have twenty lessons that we have to complete in ten weeks, which is about 2 a week, and up to now we have done 7 lessons in about 2 weeks and two days so you can see that we aren't wasting any time. We are still on the night shift and I guess we will have to remain there the full time. It makes it pretty hard to study at night but I think I will make it alright.

I went to the University games last, against Washington & Lee but it wasn't very good since Ky. won 53-0. Next week they play Vanderbilt which should really be a good game and if my money holds out I intend to see it.

I haven't had very many dates as I am trying to save money to come home on Thanksgiving. Helen has fixed me up with some nice girls and we have gone out together a few times.

(Over)

I am going to the show with Helen tonight if it does rain to hard.

I guess Mac is getting pretty big by now. Have you ever taught him to stand on his feet and walk yet?

Do you remember Martha Adams that use to live in Evansville? Well I saw her a couple of days ago and talked to her for a little while. She said to tell you hello when I wrote.

Well June this isn't much of a letter, but I am going to have to do a little studying, so I will close for now. Tell Mager hello and I will write more later. Let me hear from you when you get a chance and Thanks for the letter.

Love

Owen.
