UNITED STATES SIGNAL CORPS

OWEN M. HAMILTON
LEXINGTON, KY.

Monday Evening

Dear Gene & Mary.

Received your letter today and thanks a lot for the dollar. Those things come in mighty handy at times. I got my job down at the 7th M. C. D. and I figured I would get money from them before long so I sent Mother \$2.00 home and then found out I wouldn't get any money till the first of the month so it left me kind of flat. At any rate I get paid Weds. so every thing will be all right.

We got the big test coming up tomorrow I guess. They don't tell you till the last minute what you are going to do. I will sure be glad when the Dams thing is over as I have worried quite a bit over it. I don't think I will pass but I still have that hope that I will get a lucky break. If I am feeling right I may be able to do pretty good and if I can have any luck guessing I may be able to do the job.

After it is over I am going to relax over the holidays and enjoy myself.

I am sure to be glad to hear that Mary is getting in to the Mason as it is a wonderful organization. How is Mac getting along.

Gene I am going to have to leave for home as it is time to catch the Bus.

I will see you Dec. 5th so until then
I be good and everything. Tell Marga hello.

Love of Joe
Over

P.S.

Thanks again for \$ dolla.
