FLASHES OF FLORIDA FACTS

By Moses Folsom

Home Made Tags.—The tags for 1927 are being made in the state prison at Raiford. The total need of next year is over half a million.

Home for Baptist Orphans.—The Florida Baptist Children's Home at Arcadia is now in its twenty-third year and has taken care of over 500 children. With a record of only five deaths in nearly a quarter of a century. It now contains 115 children.

Unsurveyed Land.—There is still some unsurveyed land in Florida, and also in other states all west of the Mississippi. Information can be had in a pamphlet sent to interested persons, by the Government Printing Office, Washington, D. C.

Good Lawyers.—The State Agricultural college at Gainesville has a Rhode Island Red hen with a record of having laid 296 eggs a year. It also has a White Leghorn with a record of 270 eggs. This is the difference between well bred birds, compared with 50 eggs a year from scrub hens.

Some Beans.—M. P. McSweeney of Palmetto, Manatee county, shipped a carload of beans, 712 hampers, a few days ago to New York for which he received a check for \$9,132.82. He said the beans were planted right after the September hurricane and were picked 58 days after they had been planted.

Snow.—Heavy snowfalls are reported in the Northern and Western states. That's one thing Florida does not have to contend with. It does snow occasionally, the last one of record occurred on January 11, 1800, when snow covered the ground in the counties along the Georgia line to the depth of five inches.

LYNN HAVEN VETERANS

Fifteenth Installment

EMANUEL F. SHATZER

Emanuel F. Shatzer was born in Franklin Co., Pennsylvania, Feb. 4, 1841. He first enlisted in the three months service, April 16, 1861, at the first call for troops, in Co. C, 2nd Pennsylvania Volunteers Infantry, as a private. At the expiration of the time for which he enlisted, he was mustered out July 16, 1861, at Harper's Ferry, Va.

On his return home, he re-enlisted on Aug. 15, 1861, in the Light Artillery service, as a non-commissioned officer, in Battery B, Independent Pennsylvania Volunteers.

On the 19th of October the Battery was rushed to Louisville, Ky., on a hurried call for troops. On its arrival there, it joined the second division of the Army of the Cumberland, and served with that army all through the remainder of the war, and took in all the battles, both large and small, in which the great Army of the Cumberland engaged, too numerous to name.

After the surrender of Lee, Mr. Shatzer's battery was sent to Texas with the 4th army corps, and was finally mustered out of service at Victoria, Texas, on October 12, 1865.

Mr. Shatzer was slightly wounded twice, and had two horses shot from under him, one at Stone River, and one at Franklin, Tenn.

On June 7, 1876, Mr. Shatzer was married at Williamsport, Md, his wife dying Aug. 10, 1882. He was never remarried. He has one son living in Atlanta, Ga.

He came to Lynn Haven from St. Cloud, Fla., Feb. 16, 1911. He owns a home and lot on Virginia avenue, where he lives alone; also fifteen acres of land in the country. He is a charter member of Farragut Post, No. 27, Department of Indiana, Grand Army of the Republic, at Evansville, Ind. Mr. Shatzer is quite active for one of his years.

PICKS OUT CASKET
DAY BEFORE HE DIES

Special correspondence 1930
PRINCETON, Ind., Oct. 28.—Just a day after he had picked out his casket, while apparently in perfect health, James M. Scantlin, 87, died suddenly as he sat in a chair in a hotel lobby here.
He had spent Sunday picking out the casket and in his room was found his will, just drawn up.
Scantlin, a retired hardware merchant, was a Civil war veteran and was prominent in G. A. R. work.
