2. Speech Seminar - Terre Haute

The Department of Speech of the Terre Haute Campus has invited our faculty to attend three seminars by Dr. Lionel Crocker to be held in the West Ballroom, Tirey Memorial Union Building, 4:00 P. M.

May 7, 1968 - "Professor Trueblood and other Pioneers."

May 14, 1968 - "The Profession of Speech."

May 21, 1968 - "Speech and the Academic Community."

3. Course Numbers

The percentage requirement for courses at the 300-400 level cited in the college catalog is not appropriate with existing course numbering and should have been changed prior to printing of the catalog. The 40 percentage upper level requirements are not enforced in teacher education curricular, a 30-70% ratio is used in industrial arts, and the college of arts and sciences uses 34-35 percent 300-400 level courses.

Basically students should meet course requirements of the curricula on which they are enrolled and general education requirements. Other courses can be electives.
