FOR IMMEDIATE RELEASE

October 12, 1972

An Indiana State University Evansville economics professor, Alan S. Costa, Assistant Professor of Economics, will attend the annual Louisville Branch, Federal Reserve Bank of St. Louis Conference with professors of money, banking, and economics on October 27, 1972, in Louisville, Kentucky.

A visiting economist on assignment to the Federal Reserve Bank of St. Louis from the Banco de Mexico, Mr. Gilberto Escobedo, will be the featured speaker. His presentation will be on the conduct of stabilization policy in Mexico.
