

OPEN HOUSE SUCCESS. The Sunday Open House allowed many area families to visit the campus, and see the classrooms and laboratories, and meet faculty and students. Visitors were overheard saying, "The campus certainly is larger than I imagined." "It's beautiful out here." "I didn't know this campus was so big."

Sam Cookman, Food Service Director, commented that he was \$14.00 short of an all time record for attendance at the Sunday Buffet as he served approximately 567 persons. A reporter from the Evansville Courier estimated the Open House crowd at about 5,000 people.

A hearty thank you to all staff members who worked the Open House. Your eagerness to welcome people to the campus is greatly appreciated.

SWEET ADELINES, INC. Sweet Adelines, Inc., is an international non-profit organization of women whose purpose is to teach and sing the American folk art of four-part harmony, barbershop style, and through performances, encourage a universal appreciation of that music. Sweet Adelines quartets and choruses perform a service to their communities by singing for hospitals, nursing homes, churches, community events, etc. Under a Civic Involvement Program, top-notch choruses and quartets work in cooperation with charities in the production of benefit shows, with all proceeds going directly to the charity involved.

Each member of Sweet Adelines, Inc., belongs to a Chapter; the Chapter for this area is known as the Hoosierettes. Keeping in tune with the international organization, the Hoosierettes charge no fee for their performances. When donations are made, however, the funds are accumulated so that the group can make an annual contribution to a charity or needy organization.

The Hoosierettes are sponsoring a membership drive during the month of October. If you are interested in joining or learning more about the organization, contact *Laura Free*, Ext. 347.
