

GRANT AWARDED. On November 14, 1978 the State Board of Vocational and Technical Education approved a \$32,736.00 Post-secondary Equipment Grant for Program Improvement for ISUE. The grant is to be used for secretarial administrative and office management equipment. According to DR. KENNETH SETTLE, Chairman, Division of Business, "The grant will enable us to make a major improvement in the quality of instructional activity in office management and secretarial administration as well

as increase the number of learning stations in typewriting classes."

TUT TOUR TO NEW YORK. If you missed King Tut in Chicago and New Orleans, ISUE is offering one last chance to view the famed treasures of Tutankhaman before the exhibit returns to Egypt.

ISUE is combining the "Tut" tour with a chance to visit New York in the spring. The trip to the "Big Apple," March 22-25, also includes an evening at the theatre to see the Broadway musical "Annie" and plenty of time for city sight-seeing and shopping.

The registration fee of \$290.00 includes round trip air fare, transportation to the Americana City Squire Hotel, three nights lodging (double occupancy), theatre ticket and admittance to the Tut Exhibit at the Metropolitan Museum of Art. To introduce the tour to those attending, an on-campus orientation session and background lecture will be given March 14 at 7:30 p.m. in the ISUE Administration Building, Room 28.

Tour coordinators are SYLVIA NEFF WEINZAPFEL, assistant director of continuing education at ISUE and DR. JAMES BLEVINS, chairman of the ISUE division of humanities. Registration for the tour is limited. Contact the Office of Continuing Education, extension 1863, for additional information.

EVANSVILLE URBAN TRANSPORTATION STUDY. The Division of Engineering Technology is once again cooperating with the Evansville Urban Transportation Study on a transit survey. This survey will consist of interviewing bus passengers for a 12-hour period on Thursday, December 14 from 6:00 a.m.-6:00 p.m.

Two students will be assigned to a bus and will ride that bus all day. A one-hour orientation session is included for all students and an extra $\frac{1}{2}$ hour will be added to those who work the full shift.

Thirty-two stations must be monitored for the 12 hours. Interested students should contact the Engineering Technology Division at extension 1877.

ISU TO OFFER SKI TRIP. ISU is offering another "first" next semester for credit or noncredit students who enjoy the unusual type of learning experience.

It's a ski trip to Montreal, Canada, for six days and five nights of spectacular scenery along with ski instruction at Villa Bellevue Resort on Mont Tremblant.

This vacation course is set for January 2-7 and the cost is \$400.00 per person. Included in the cost are the round-trip airline fare between Indianapolis and Montreal, housing at the lodge, most meals, ski lessons, ski lift tickets, use of other resort facilities, enrollment fee for credit or noncredit and medical insurance. Ski equipment can be rented at the resort. One semester hour of college credit is available through ISU's Department of Women's Physical Education.

Mont Tremblant is the highest of the Laurentian Mountains with a vertical drop of 2,131 feet. The ski development offers 28 different trails and open slopes to satisfy all grades of skiers from beginner to expert. The area also has 60 miles of marked cross-country ski trails.

Ski activities are supervised by Luc Dubois, head coach of the Canadian National Ski Team from 1973 through 1976 when the team captured an Olympic gold medal. He is also a member and director of the Canadian Ski Instructors Alliance as well as the past president of the Canadian Ski Coaches Federation. Instruction includes on-the-hill learning experiences, and racing and theory courses.

Registration for the trip may be made locally by contacting the ISUE Office of Continuing Education at extension 1863. An initial deposit of \$50.00 is required by December 1, 1978. Participants must be 18 years of age or older.
