SPRING DEAN'S LIST RELEASED BY USI

For Immediate Release
June 23, 1993

The Dean's List has been released for the 1993 spring semester at the University of Southern Indiana.

Dr. Robert L. Reid, vice president for Academic Affairs, reported that 631 students were named to the latest honors list. Students must achieve a 3.5 or better grade point average (on a 4.0 system) to be named to the list.

- 30 -

(See attached lists for students from your area. The effort is to place students in county of origin where possible but numerous listings cross county lines. There will be some duplication in the effort to list students appropriately, sometimes using both current and hometown addresses.)
