ISUE WOMEN'S BASKETBALL TEAM GOES TO STATE CHAMPIONSHIP. Last weekend, the ISUE women's basketball team, coached by RUTH SCHWENK, won the Association of Intercollegiate Athletics for Women Southwest District Tournament by beating Oakland City in the first round and I.U. Southeast in the finals, making their record 14 wins and 5 losses.

The Eagles now advance to play in the Indiana Association of Intercollegiate Athletics for Women Large and Small College Basketball Championship which will be held March 1, 2, and 3 in Terre Haute. They meet St. Joseph at 8:00 p.m. Thursday night, and if they are successful they will play the winner of

the Goshen v. Marion game on Friday at 6:00 p.m. The State Championship game will be played Saturday at 1:00 p.m. If Coach Schwenk's Eagles emerge as champions, their next contest will be the Midwest Tournament in Kalamazoo, Michigan.

The tournament will be held in the Indiana State University Women's Physical Education Building, 7th and Chestnut, Terre Haute. For further information, contact RUTH SCHWENK at extension 1904.

LIBRARY ADDS COMPUTER TERMINAL. Thanks to a special subsidy, Library Services has added a computer terminal to assist all interested library users in rapidly locating a wide variety of publications. This terminal, located in the Reference-Interlibrary loan office, L-202, is connected to a data base providing access to the bibliographic records of more than 4 million publications, including books and periodicals. (However, subject searching is not possible at this time.) The full or partial holdings of over 1,000 academic libraries, including ISUE, are represented in the rapidly growing data base. For more details and to schedule use time, please come by or call Carrie Jane Roper, extension 1920.

ENERGY AND ENVIRONMENT SEMINAR. On Thursday, March 1, Pam Merry, Environmental Impact Group, was to talk on Analyzing Environmental Impacts as a part of TOM ZELLER'S Earth Science 391X class, but has been rescheduled for March 8. This Thursday, TOM ZELLER will speak on The Management of Radioactive Wastes. The class meets on Thursday evenings from 7:00 - 9:00 p.m. in Room SC296.

HUMANITIES FORUM. ERIC VONFUHRMANN, Assistant Professor of English, will present a lecture on Shakespeare's play Coriolanus on March 6 at 11:00 a.m. in UC 350.

SPRING FILM SCHEDULE! "To Catch a Thief" will be shown Thursday, March 1, at 2:00 and 6:00 p.m. in A126. The film is free and open to the public.

PAYROLL REMINDER. Service reports (both student and biweekly) are due in the payroll office by noon Friday. Adjustments to those reports may be made in the payroll office on Friday afternoon. Service reports received after this time should be included on the next payroll voucher.

MASS. On February 28, Ash Wednesday, Mass will be celebrated at 12:00 noon in UC 350.

LOST AND FOUND ARTICLES. To facilitate the prompt return of lost articles to their owners, the campus security office is requesting an immediate notification of articles found on campus. If employees will call extension 1780 as soon as an item is found, someone from security will be sent to pick it up. The new "pick-up" service has been instituted because persons who lose items attempt to locate them immediately.

ISUE FAT-OFF. ROGER COX, Assistant Professor of Psychology, will speak on "The Psychology of Dieting" at 12:00 noon in the Forum on Friday, March 2.

TORNADO DRILL. On March 6, ISUE will participate in the National Weather Service Tornado Drill sponsored by Civil Defense. Guidelines on what to do in case of a Tornado Alert will be distributed. To test the communication system, an alert will be staged. Since it is just a test, no one need evacuate. Each classroom and office area will be called to make sure everyone can be reached. The calls will start at 10:30 a.m.

PEOPLE IN THE NEWS. ROBERT E. MAYS, Professor of Education and Director of Student Teaching, Laboratory Experiences and Coordinator of Graduate Studies, was recently selected by Project Head Start and the Administration for Children, Youth, and Families to coordinate a national demonstration project entitled, Exploring Parenting. The Exploring Parenting project is designed to help parents become more aware of the parenting skills they possess, to enhance those skills, and to expand the choices which they have in their parenting roles.

BARRY SCHONBERGER, Director of Student Activities and University Center Coordinator, has recently been re-appointed to the Board of Directors of the Evansville Chapter of the American Red Cross.

IN-SERVICE EDUCATION PROGRAM. The ISUE Health Services and the Tri-State Epilepsy Association are offering an in-service education program to ISUE staff, faculty, administrators, and students on "Learning About and Coping With Epilepsy." The one-hour programs will be offered twice a day to insure everyone an opportunity to attend without leaving areas unstaffed. DONNA MYERS, Director of Health Services, is urging employees to choose the time, location and program that best suits their needs to learn more about this commonly misunderstood illness. This in-service program has been approved by the Personnel Director. Clerical-support employees should arrange for this absence with their department heads who are asked to insure continuity of functions within their departments during the programs.

The programs will consist of films, distribution of printed material and discussion. The programs and dates are:
