1. Honor Extended to Member of ISUE Staff

Congratulations are extended to Mr. J. Maxwell Davis for his appointment to the National Science Committee. Such an honor certainly lends prestige to the University and to the Education and Science Divisions. It is an honor and a pleasure to be associated with Mr. Davis.

2. Master of Fine Arts Degree Awarded to New Faculty Member

Miss Ramona Hinton has successfully completed the requirements for the Master of Fine Arts degree as of August 1, 1969. The diploma was awarded at that time. The M.F.A. is recognized by the College Art Association and most chairmen of university art departments as the terminal degree for artist/teachers. It represents considerable study over and above a conventional M.A. In Miss Hinton's case, she has both the M.A. (awarded August 2, 1968) and the M.F.A. Indiana State University- Evansville is honored to have Miss Hinton on our faculty.
