FOR IMMEDIATE RELEASE

September 25, 1991

The University of Southern Indiana School of Nursing and Health Professions is sponsoring a health career day on Sunday, October 6, 1991 from 1:30 p.m. to 4 p.m. in Forum I of the Administration Building.

Health Career Day will allow high school students, parents, and others interested in pursuing a career in nursing and the health professions to meet faculty members and learn about the nursing and health professions programs available at USI.

During registration at 1:30 p.m. students and parents will be able to view exhibits and obtain information on the programs at USI. Dr. Nadine Coudret, Dean of the School of Nursing and Health Professions, will detail the variety of programs available at USI. Informal meetings will be held with individual program directors including dental hygiene, dental assisting, respiratory therapy, radiologic technology, and nursing. Information will also be available on a new program, occupational therapy, as well as the pre-professional areas such as pre-med, pre-vet, pre-dent, medical technology, chiropractic, and osteopathy.
