Dr. James E. Vaught, Director of Dental

Auxiliary Education and Professor of Dental Auxiliary Education at Indiana University

## INDIANA STATE UNIVERSITY EVANSVILLE

8600 University Boulevard

Evansville, Indiana 47712

School of Dentistry, Indianapolis, Indiana, will give the commencement address.

This is the second class to receive the dental assistant certification. The dental assisting program at ISUE, under supervision of Lois Van Meter, is a one-year program in study and techniques of dental assisting. The dental assisting program is offered at ISUE in cooperation with Indiana University School of Dentistry.
