11. Parking Space

Due to the limited parking spaces available at this time it is urgently requested that you help us relieve this problem by one of the following solutions:

- a. By using the bus service to the campus - you can park at the old Centennial building or behind the Civic Center and catch a Will Bus at either of these points.
- b. By forming car pools with four or five other students.
- c. By having someone drop you off at the campus.
