About USI...

Location

The University of Southern Indiana is located in Evansville, Indiana's third largest city. USI is a comfortable drive from the major metropolitan centers of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

The Campus

The Health Professions Center, Science Center, Wright Administration Building, the Education Center, and the Orr Center are located on the north side of campus. Rice Library, the University Center, the Liberal Arts Center, the Technology Center, and the Business and Engineering Center form the quadrangle in the center of campus. The Physical Activities Center and the Recreation and Fitness Center are located east of University Boulevard, a major thoroughfare through campus. Apartment buildings and residence halls are home to 2,700 students who live on campus.

Academic Life

The University enrolls 10,516 students and offers undergraduate majors in 70 areas of study. An ever-increasing number of post-graduate programs also are available to students who wish to continue their education. Opportunities are available for service learning, study abroad, and internships.

Campus Life

Outside the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

Residence Life

Students living on campus have their choice of two types of housing. Students can live in standard apartments or in suite-style housing in residence halls which have amenities such as Internet connections, wireless Internet, and cable television. Computer labs, laundromats, a convenience store, outdoor and indoor recreation areas, and student lounges contribute to an efficient living environment that has proven to be overwhelmingly popular to students. Meal plans also are available at the University Center, which is located in the center of campus.

Financial Assistance

USI provides families with an affordable way to higher education. While some families find that they can handle the cost of a USI education without financial assistance, others qualify for need-based financial packages, including grants, loans, and on-campus jobs.

Head Coach Mat Santoro

Mat Santoro, who became the eighth head coach of the USI men's soccer program in 2009, finished his first season at the helm with a 6-10-1 mark and 5-9-0 in the GLVC.

Santoro came to USI from the University of Memphis where he was an assistant coach. He assisted with all facets of the program during his only season with the Tigers.

Prior to Memphis, Santoro served as the women's soccer head coach at Davis and Elkins College for four seasons. Under his leadership, the Senators set school records for overall wins, conference wins, goals scored, and All-Conference selections. He also directed Davis and Elkins to its first two winning seasons and produced the programs first All-American.

He made the move to Davis and Elkins after spending four years as the men's assistant coach at Rowan University in New Jersey. While at Rowan, Santoro was the program's primary recruiter and was part of a staff that led the Profs to the Division III Final Four in 2000.

Santoro played collegiately for one season at the University of Maryland before transferring to Rowan. As a player at Rowan, he was named All-Conference three times, All-Region twice, and was a member of the 1990 Division III National Championship team. Santoro played professionally in the United States for four years before entering the coaching ranks.

Evansville, Indiana

... A CITY with urban attractions and hometown friendliness

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI students and offers them plenty of things to do. Traveling Broadway shows, entertainers, and feature performances come to The Centre and the Victory Theatre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a wonderful view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville's coffee shops, restaurants, and shopping areas also are places where students like to spend time. Less than three miles from campus, shopping centers and restaurants are plentiful on both sides of the Lloyd Expressway. The Eastland Mall area on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI's suburban location in western Vanderburgh County is just minutes away from all that Evansville has to offer.
