### SUMMER CLASSES OFFERED IN INTERSESSION; TWO SUMMER SESSIONS AT USI

Intersession classes at the University of Southern Indiana began May 13 with an enrollment of 897 students. This figure includes 86 graduate students, and 45 guest students, with the remainder being USI degree-seeking students. This figure is up from 650 students enrolled for intersession last year.

First summer session begins with registration on June 10, and classes meet June 11 through July 12. The second summer session begins with registration on July 15, and classes meet July 16 through August 16.

Persons interested in information about admissions and registration can call the USI Office of Admissions at 812-464-1765.
