## FRESHMAN ORIENTATION - 1969

### COST INFORMATION SHEET

**FEES:** The student cost for fees is \$18.00 for each hour of course work. To compute the cost for a semester, determine the number of hours and multiply by \$18.00. Here are some examples:

<u>Hours</u>	<u>Fee</u>
16	\$ 288
15	\$ 270
12	\$ 216
9	\$ 162
6	\$ 108
3	\$ 54

The amount of the FEES is to be paid in full at the time of registration in September.

In addition to the regular fees, there are certain courses that have an additional nominal fee for supplies.

**BOOKS:** The cost for books and supplies varies from about \$35.00 to \$70.00 per semester depending upon number of courses taken and the cost of the individual books for each course. Used books are available at a lower price in most subjects. These books are usually sold first.

We have a bookstore on campus and payments for the books are made to the bookstore at the time of purchase.

**BUS SERVICE:** The Will Coach Lines will provide bus service to the new campus. We encourage students to use available transportation facilities whenever possible, because of cost, safety and parking.

The bus company has asked us to provide the names, addresses and phone numbers of students desiring bus service next year to the new campus, and they will contact the students and make the necessary arrangements for routing and scheduling. If you are interested in using this means of transportation, please complete the blanks below and leave it with your counselor.

**PARKING:** All students who wish to drive to school will be required to register the automobile. There will be a nominal car registration fee.
