For Immediate Release
July 10, 1991

Openings still are available in classes on Intermediate DOS (Disk Operating System) and Introducing Lotus 1-2-3, the popular spreadsheet program in accounting, in the University of Southern Indiana's summer evening computer courses.

The DOS class will meet two Wednesdays, July 24 and 31; the registration fee is \$65. The Lotus class will meet five Tuesdays, starting July 2; the registration fee is \$130. Call the USI Office of Continuing Education, 812/464-1989, for information or to register.
