For Immediate Release  
November 14, 1990

"USI Lighting a Tradition" is planned for 4 p.m. Sunday, December 2, by the University of Southern Indiana Student Alumni Association to initiate a new holiday tradition for students, faculty, and staff.

The ceremony will center on the lighting of a 21-foot tree that will stand in the second- and third-floor windows of the Orr Center, which was opened earlier this year, USI's 25th anniversary. The Mid-America Singers will lead students, faculty, and staff in caroling.

Admission to the ceremony will be a can of food or other non-perishable food item, to be donated to the Food Bank in the name of USI student organizations. For information, contact Keith Young, SAA chairman for the program, 812/464-1862, or the USI Alumni Affairs Office, 812/464-1924.
