The lively choreography and versatile music tradition of the Mid America Singers of the University of Southern Indiana will continue as the Singers begin their 21st year. 16 vocalists and 9 instrumentalists and support personnel have been selected to the performing group, under the direction of newly-named conductor Daniel R. Craig, assistant professor of music. Craig was director of choirs at Casper College in Casper, Wyoming before joining USI. Craig holds a B.A. in voice performance from Murray State University and an M.M. in choral conducting from the University of Illinois.

The Mid-America Singers are an all-student vocal and instrumental ensemble. Their music ranges from pop, jazz, and easy listening to country and gospel. In recent years the Mid America Singers have represented the University of Southern Indiana at the inauguration of Robert D. Orr as Governor of Indiana and in a performance at Walt Disney World in Orlando. They are popular as performing talent at local civic events and business conventions.

As a part of the holiday tradition on the campus, the Mid America Singers perform for the Christmas Madrigal Feast. These performances, which include an authentically staged dinner in USI's Dining Hall, will be November 29, 30, December 1, and 2. Tickets are on sale through the USI School of Liberal Arts, 464-1735.
