## **USI to hold Health Professions Career Expo**

The University of Southern Indiana Health Professions Career Expo will be held from 11 a.m. to 1:30 p.m., Monday, October 23, in Carter Hall, University Center. The Expo is designed to assist students at the freshman level exploring health-related career options. It will also serve students looking for an internship or clinical experience, and graduating students seeking full-time employment.

Healthcare recruiters will have the opportunity to meet with students in such programs as nursing, occupational therapy, social work, respiratory therapy, and radiologic technology, among others.

"Typically, over 200 USI students attend the event, said Jennifer Walker, associate director of Career Services and Placement." This year we anticipate 30 recruiting organizations from Indiana, Illinois, and Kentucky.

A list of registered organizations can be found on the Internet at [www.usi.edu/careersv/career.htm](http://www.usi.edu/careersv/career.htm).
