## MESSAGE FROM THE PRESIDENT

Indiana State University Evansville is proud of the development of its intercollegiate athletic program. The athletic program is a vital part of a student's total college experience, for extracurricular activities complement campus academic offerings.

The Eagle basketball fans should be ready for a great season. The '75-'76 season promises to be the most exciting one in ISUE history. Coach Boultinghouse and his staff were successful in recruiting some outstanding talent to boost the returning lettermen. Combine the talent with the schedule and you have criteria for plenty of exciting action for ISUE followers.

We are proud of the young men who comprise this year's ISUE team. We hope that students, faculty, alumni and friends will attend and support the Eagles this season. Fans should be provided many memorable moments by the play of this team.

Mrs. Rice and I extend our best wishes to Coach Boultinghouse, Coach Ramsden, the Eagles and the Screaming Eagles Varsity Club for a successful season.

---

Indiana State University Evansville is located on a 300-acre site in the Mid-America University Center midway between the metropolitan areas of Evansville, Indiana and Mt. Vernon, Indiana. Founded in 1965, the campus moved to its present site in 1969.

Current facilities, including a Science Center and Administration Building, Library, University Center and Technology Center, are being utilized by a 2945 member student body. Auxiliary buildings used by students include the ISUE Central Arena, the ISUE Children's Center, the Art Center and the ISUE Playhouse.

The institution is accredited by the North Central Association, the Indiana State Department of Public Instruction, the National Council for the Accreditation of Teacher Education, and the Council on Dental Education of the American Dental Association.

Curricular opportunities are offered in 60 programs under four-year baccalaureate degree programs, two-year associate degree programs and one-year certificate programs.

David L. Rice serves as President of the Evansville campus of Indiana State University.

The Evansville campus is a part of the two-campus system of Indiana State University. The Terre Haute campus has a strong history of service to the state of Indiana since 1870. The Terre Haute campus is a residential campus with a 10,729 member student body. Richard Landini serves as President of the Terre Haute campus.

A seven member Board of Trustees governs Indiana State University. Members of the 1975-76 Board of Trustees are Rex. E. Breeden, President, Charles W. Ainlay, Vice President, Nancye Mitchell, Secretary, James D. Alher, William L. Hitch, James T. Morris and Paul Siebenmorgen, M.D.

## NEWS MEDIA FRIENDS . . . . .

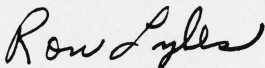

The Indiana State University Evansville athletic staff received excellent press coverage last year from the area sports media. Head Coach Wayne Boultinghouse is extremely pleased with the amount of sports coverage both at home and away.

The Eagle basketball press guide has been designed for both the coach and the sports writer. Special attention should be devoted to player information such as academic classification, major area of study, height, hometown and statistics.

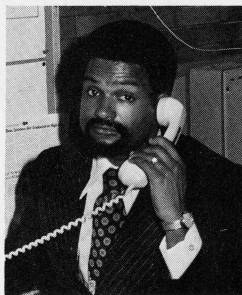

All working press media and scouts should direct their questions to:

Ron Lyles  
Sports Information Director  
Indiana State University Evansville  
ISUE Central Arena  
218-220 N.W. Sixth Street  
Evansville, Indiana 47708

The ISUE athletic office will always make itself available for special requests for additional information on players and press table accommodations.

## WAYNE BOULTINGHOUSE

### Athletic Director & Basketball Coach

Wayne Boultinghouse, in his second season at the helm of the ISUE athletic program, was appointed director of athletics and head basketball coach in the summer of 1974.

Charged with rebuilding ISUE's basketball program, Coach Boultinghouse made tremendous progress in the area of recruiting this year. "We had a fine recruiting season," comments Coach Wayne Boultinghouse, "and we are confident that we have

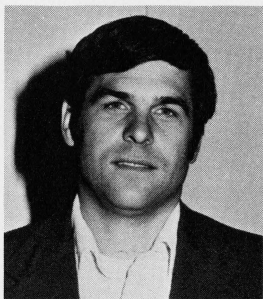

the talent available to have a winning season." Despite the challenge of the strongest schedule in the schools' history, the blend of experience, size and quickness should produce the first winning record for the Eagles. Boultinghouse's eye for competition and desire to strengthen the Eagles basketball schedule has added yet another challenge to ISUE during the 1975-76 season when the Eagles will battle university division opponents Mercer and Ole Miss in a pair of games to open the season. The schedule will also include such perennial powers as Austin Peay, Tennessee State and former NCAA National Champion Kentucky Wesleyan.

A native of Rockport, IN., Coach Boultinghouse was a standout player at Rockport and at the University of Evansville where he lettered as a basketball and a baseball player. Boultinghouse is one of the few coaches who has played and coached on a NCAA basketball championship team. (University of Evansville - 1964-1971)

"We are going to have the luxury of depth and this should have a positive effect on our program," concludes Coach Boultinghouse. If all goes as planned the fans of ISUE will have more occasions for celebrating during the 1975-76 basketball season.

Coach Boultinghouse's wife, Billie, is a teacher at Harrison High School. She, too, is involved in athletics and coaches the Warriors women's gymnastics and golf teams.

### **DON RAMSDEN** Ass't. Basketball Coach

Ass't. Coach Don Ramsden begins his second year on the ISUE basketball staff. Aside from his varsity coaching duties, Don takes charge of the junior varsity and the scouting assignments. He also played an active role in the successful recruiting season the Eagles experienced this year.

Don works in the Veteran's Affairs Office at ISUE and administers the institution's intramural program. The former University of Evansville graduate and Air Force Captain received his M.A. from Chapman College in 1973. Don and his wife Ginger have two children; David 6 and Amy 3.

### **LARRY SHOWN** ISUE Baseball Coach

Larry Shown begins his first year as head baseball coach for Indiana State University Evansville.

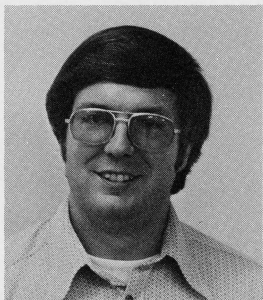

After graduation from Owensboro High School, Coach Larry Shown was drafted and signed by the New York Yankee organization. The six years Larry invested with the Yankees added experience and knowledge to a good solid foundation of baseball history.

Coach Shown started his love for baseball at the age of six and has enjoyed it thoroughly ever since. Larry will be the first to admit that he is still a kid at heart and hopes that he doesn't ever lose his boyish trait.

Larry is a transfer student from Kentucky Wesleyan College where he attended his freshman year and played for the Panthers Basketball Team. He also assisted in coaching the baseball team. Larry has the distinction of being the oldest freshman playing basketball in the state of Kentucky and possibly of being the oldest freshman basketball player in the nation last year.

Coach Shown is married and has two lovely daughters. Charlotte, his wife, works for Welborn Florists in Owensboro and provides the financial backbone for the family. Mrs. Shown is also a very active church member. Lisa Kelly, age 7, is presently enrolled at Burns Elementary School in Owensboro and Lori Jean, age 3, is attending play school. Both girls, according to Larry, indulge in an enormous amount of play.

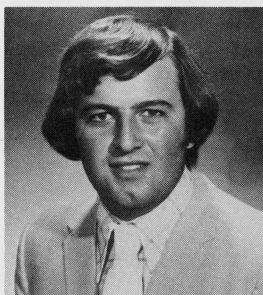

**JACK MARR**  
ISUE Tennis Coach

Dr. Jack Marr begins his third year as tennis coach for Indiana State University Evansville. Dr. Marr earned a doctor's degree in zoology from Iowa State University before coming to ISUE. Dr. Marr is married and has three sons. His wife Barbara, Randy, age 18, Scott, age 13 and Jeff, age 11.

With 8 wins and 6 losses last year, Coach Marr contends that his team will be much more experienced going into the third year of the program.

**JIM HAMILTON**  
ISUE Golf Coach

Indiana State University Evansville Golf Coach, Jim Hamilton and his team will again be shooting for the District 21 championship. After being runner-up in last year's meet, Indiana State University Evansville should have a more impressive team with the return of three lettermen. Coach Hamilton believes the Eagles will have the strongest schedule in the school's history.

**RON LYLES**  
Sports Information Director

Ron Lyles, named to the ISUE athletic staff in September 1974, begins his second year in the Eagle athletic program.

It was last season that Ron Lyles immediately began to organize a sports information office for the fast-growing Eagle sports program. During this time Ron Lyles modernized statistics, researched and compiled all-time individual and team records.

He currently serves as public relations chairman for the Indiana State University Evansville athletic Varsity Club.

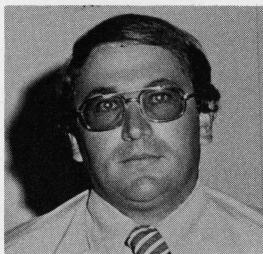

Along with his publicity and promotional duties, he coordinates athletic fund raising for the University.

**RITA BETZ**  
ISUE Athletic Secretary

Mrs. Rita Betz is in her first year as Secretary for the Screaming Eagles of ISUE. Her favorite hobbies include spectator sports, crafts and sewing. She is married and has three children.

**GARY ZIGENFUS**  
ISUE Supervisor of  
Student Trainers

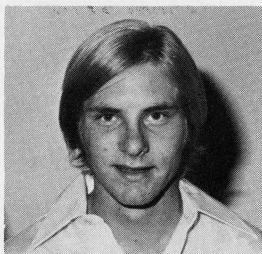

Mr. Zigenfus earned a master's degree in physical therapy from Duke University. He has served as an assistant trainer at Duke, designed and supervised the rehab programs for the Atlanta Flames of the NHL, assistant trainer for the USA-USSR Track and Field Meet, trainer, Durham High School. He is a member of the National Athletic Trainers Association and The American Physical Therapy Association.

**DR. STEVE BRAUN**  
ISUE Athletic Physician

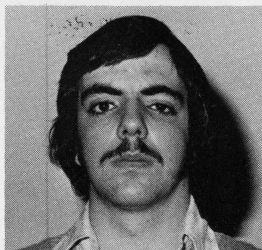

Dr. Steve Braun received his medical education decree from Indiana University. He is married and has six children. His wife Peggy, Nick age 10, Jill age 9, Beth age 8, Teddy Age 4, Jo Ann age 3 and Jeanne age 1. Dr. Braun has been a practicing physician for two years in the city of Evansville.

**JOHN ERDMANN**  
ISUE Student Manager

John Erdmann begins his first year as Student Basketball Manager. A native of Munich, Germany, John graduated from Choctanhatchee High School in Fort Walton Beach, Florida. John is majoring in Communications at Indiana State University Evansville.

**GARY MUELLER**

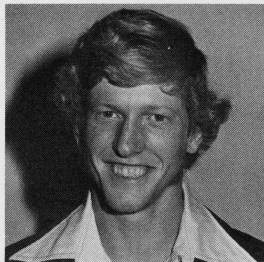

Gary Mueller in his first year as Student Basketball Manager for ISUE, is a 1973 graduate of Mt. Vernon High School. Gary is a junior at Indiana State University Evansville and he is majoring in secondary education. Gary's hobbies include all sports and automobiles.

Before the end of this season, Ernie should become the Eagles all-time leading scorer. His 18.2 scoring average last season established a single season high for the Eagles. He has a fine touch and amazing shooting range. The coaching staff is hoping that he becomes physically stronger and a better defensive performer for his senior year. "Ernie provides our offense with a degree of consistency," comments Coach Boultinghouse. "He is a proven college guard and we are expecting a great deal from him this year."

Ernie is also a member of ISUE's golf team. He enjoys hunting, gardening and sports. This summer he married the former Debbie Daugherty. They will both graduate in May. He is a business education major and wants to teach and coach. His parents are Mr. and Mrs. Delmar Brothers of Vincennes, Indiana.

"We needed players with size and strength and Gary possessed those qualities," relates Coach Boultinghouse. "He has always been a fine jumper with a strong inside game. Once he learns our concept of playing basketball, he should make his presence felt." Gary is a former high school teammate of Ernie Brothers. He had a fine high school career and comes to ISUE via Pan American University and Cumberland Junior College. He enjoys all sports; particularly golf. He is a business major and the son of Mr. and Mrs. Don Burdsall of Vincennes.

One of the bright spots in ISUE's future is Cortez. He comes to the Eagles with a reputation as being an all-around performer who can play guard or forward. Many schools tried to recruit Cortez because of his strong defensive game. "Our basketball program has a quality player in Cortez", injects Coach Boultinghouse. "He brings a great deal of versatility to our program. I'm sure the fans are going to enjoy watching him perform."

Cortez is not new to Evansville as his father worked for Chrysler in the city before the factory relocated in St. Louis in the early 50's. He plans on majoring in communications. His parents are Mr. and Mrs. Leonard Collins now of Evansville.

"We are trying to instill confidence in the play of Terry," comments Coach Boultinghouse. "He can be a rugged and effective player for us, if we can get him to believe in himself." Terry is one of the three seniors on this year's roster. He is one of the strongest members on the team and has a fine jump shot. His strength enables him to be a fine rebounder. Everyone is hoping he returns to the form of his freshman year when he was a stalwart for the Eagles.

Terry's hobbies are outdoor activities including hunting and swimming. He will graduate in May with a degree in Elementary Education. His parents are Mr. and Mrs. Joe Kirchoff of Oaktown, Indiana.

Without question, "Alabama" is the most highly touted player ever recruited at ISUE. His 22 rebounds and 18 ppg average earned him all-state honors in Michigan. He was a participant in various All-Star contests including the prestigious Dapper Dan Classic in Pittsburgh.

He possesses great strength and jumping ability. He has scoring potential with his power moves inside and his soft jumper from the outside. "Bama can become just as great as he desires. If he is dedicated and determined, he has a marvelous future in basketball," relates Eagle head coach, Wayne Boultinghouse.

Larry's athletic talents were not always on the basketball court. He played tight end and defensive tackle on the football team where he was a standout performer. He enjoys all athletics, music and people. He plans on majoring in Sociology. His parents are Mr. and Mrs. Wilhelms Knight of Detroit.

Mark surprised a lot of people by making the varsity as a freshmen and starting some games. His second half performances sparked the Eagles to an upset over Tennessee-Martin. He has good size and a great pair of hands. The coaches hope to improve his quickness and offensive potential this season. "We look for Mark to keep improving," comments Coach Boultinghouse. "If he is willing to work, his best basketball is yet to come."

Mark didn't limit himself to just basketball as he made the All-City Football Team as an end his senior year. He also won the Kiwanis Basketball Award. Other activities include tennis and golf. He is majoring in General Business. He is the son of Mr. and Mrs. Edwin Osterman of Evansville.

A brother of Spider, Emanuel is expected to establish his own record of merit as an Eagle basketball player. He transferred from Alabama A & M last season and will not be eligible until January 8. Emanuel had a fine high school career at Northeastern in Detroit. He has outstanding quickness and the fans will appreciate the fluid moves he displays. He is one of the finest leapers on the squad and will be expected to help with the rebounding. The coaching staff is expecting a great deal from Emanuel once he becomes eligible. "He should be a fine college player," comments Coach Boultinghouse. He likes sports and music. He is majoring in elementary education and is the son of Mrs. Ethel Caddell of Detroit, Michigan.

Last season "Spider" was Mr. Everything for the Eagles. He was the leading rebounder with a 10.5 average and the second leading scorer with a 17.9 norm. At the season's end, his teammates voted him the most valuable player. While Spider's statistics are impressive, it was his determined play that made him a favorite of the fans. His great second and third efforts were tremendously appreciated by the Eagles followers. "Spider is a pleasure to coach," eludes Coach Boultinghouse. "He plays the game with great intensity and this is the sole reason for his success. I'm looking forward to him having another fine season this year." Spider does not possess all the ability in his family. His brother Emanuel is a member of this year's squad and his uncle, Jack, is a defensive back for the Denver Broncos. His hobbies include all sports and music. He is majoring in elementary education. He is the son of Mrs. Ethel Caddell of Detroit, Mich.

"One of the most improved players I have ever seen." This is a statement made by ISUE Coach Wayne Boultinghouse. Basketball has not been an easy sport for Joe to master, but his determination to excell is now paying dividends. He finally earned a starting birth his senior year in high shcool. But it was at Olney Junior College that his improvement was noticed. He led his team in both scoring and rebounding. Joe is a high percentage shooter, but it is his size and rebounding that should benefit the Eagles this season. He is being counted upon heavily by the coaching staff this season. He is seeking a degree in Business Education.

When it comes to hustle, no one on the Eagles squad can excell Mike in this category. The former four year regular at Christian County, Ky. was a part-time starter for the Eagles last season despite playing on a knee that had required surgery following his high school career. "Mike needs to be more consistent and to learn better shot selection". relates Coach Boultinghouse. "He is a fine competitor and could contend for a starting position". When fully healthy, Mike can provide the spark to a team. He excells in the high tempo games and he loves the pressure defenses. The coaching staff anticipates a good year from the sophomore. Mike's hobbies are people, sports and he loves to travel. He is undecided on his major. He is the son of Mr. and Mrs. Jimmie Torain of Hopkinsville, Ky.

When it comes to winning in athletics, it would be tough to top Gary's performances. He was an all-around standout during high school in football, basketball and baseball. He was an all conference performer in basketball when he led his team during the state's longest winning streak (20). The Gibson Southern team had their fans in a frenzy in winning the sectional and Evansville Regional before falling in semi-state action. In baseball, Gary won all-state honors with his outstanding pitching and outfield play. The Titans were conference champions in baseball and Gary and his Legion team was sensational during the tournaments. "Gary is a versatile and multi-talented athlete", relates Coach Boultinghouse. "With his ability determination and poise, I look for him to play some varsity this season". There is an athletic tradition in the Niemeier family as Gary's father played professional baseball and his Uncle Tom was a

"Paul has demonstrated all the qualities it takes to win," relates Coach Boultinghouse. "We look for him to continue to be a leader and winner." Paul made several of the All-State teams before selecting Kansas his freshmen year. After his freshmen season, he transferred to Panola where he earned praise from everyone in the tough Texas Junior College Conference. The Eagle fans are in for a special treat when they watch this nifty ball handler at work this season. Paul is an excellent student, making the Dean's List on several occasions. The strongly built forward relies upon excellent timing and crafty moves to battle to big front lines in college basketball. "Every team must have someone like Smokey", relates Coach Boultinghouse. Everyone will agree that Tony is the team's "Mr. Enthusiasm or Mr. Personality." The likeable guard is constantly the center of attention with his antics and quick wit. But Tony is serious about the game of basketball. It is doubtful that anyone spends more time playing the game than he does. He gained valuable playing experience last year in his first full season at guard. He is working hard to improve his defense and his outside shooting. Tony has always excelled as a one-on-one performer, but the coaching staff is stressing the team game and he must adapt his skills to that concept. The former Central athlete had some strong performances late last season and everyone is hoping that it was an indication of Tony's future in collegiate basketball. "We are trying to harness some of Tony's potential as a basketball player. If he keeps working as a team player, he could be an exciting player for us," quips ISUE Coach Wayne Boultinghouse. Tony is

## Outlook by Coach Larry Shown

Although I do not like to make predictions, the outlook for 1975-76 baseball squad should be a bright one. Except for a couple of positions the Eagles should be very sound both defensively and offensively. The overall team speed plus a couple of exceptional runners figure heavily in our offensive strategy. Of course hitting will play a major role in our offense but our offense will not be solely dependent on hitting because hitting is an on and off affair. Run production will rely mainly on our ability to get men on first base and advance them into scoring positions. We don't plan to sit back and wait until breaks come our way to score runs. **The Eagles will be very aggressive and force opponents into mistakes.** The name of the game for the Eagles will be defense. Eagle defense will cover many different areas and reflect the aggressiveness of the team. Mental mistakes, cut offs, individual fielding, positioning and play execution during certain situations will be improved defensive areas of our players. When we talk defense, pitching must be included in the discussion. This should be one of our strongest assets. We had fifteen pitchers participate in the fall program, of this amount, two players are returnees, two are Junior College transfers and the rest are first year players. The success of the defense, offense and consequently the team, remains to be seen; but our players possess enthusiasm, dedication, hustle and especially aggressiveness, the necessary ingredient for greatness.
