

## EVANSVILLE CAMPUS NOTES

I.S.U.E.

March 10, 1969

Notes for faculty and staff will be distributed on Monday of each week, if news items are available. Please give notices which should appear in a particular issue of CAMPUS NOTES to Duffie Barton prior to 4:00 p. m. on Thursday, or leave items in her box before Monday.

1. ISUE To Be Featured on TV Panel Show

ISUE will be the featured school on the weekly television panel program "Let's Talk," Saturday, March 15, 8:00-8:30 A. M. over WTVW, Channel 7.

The question of amnesty and how it relates today to men who desert the Armed Forces will be explored.

Participating in the discussion are Jim Devlin, Loryl Lackey, Tony Edwards, Bill Joergens, and Frank Forbes.

2. Women of I.S.U.E. Meeting

The Women of I.S.U.E. will meet Wednesday night at 8:00 p. m., March 12, at the home of Mrs. Wallace Wardner, Box 219, Route 1, Eichoff Road. In addition to a discussion of our rummage sale, an interesting program and social hour are planned.

Route directions: Eichoff Road runs north from Highway 62, starting directly across the road from the new ISUE campus. At the first stop sign (Middle Mount Vernon Road), Eichoff Road makes a short jog to the right and then left again. The Wardner home is the third house on the right (east) side of Eichoff Road, less than a mile from the new campus.

3. Library News

The Library completion needs to be built in relationship to courses which are, or will be, offered in the curricular. Faculty members are encouraged to review with the Division Chairman specific courses which are planned to be scheduled in the next two or three years, and to suggest appropriate references and bibliography library holdings which relate to the course offerings. The accreditation team which visits the campus will be more concerned with specific library resources for specific courses than with the overall library holdings. It is important, therefore, that our requests reflect the curricular planning in preparation for baccalaureate programs. Carefully planned purchases will build a GOOD LIBRARY. Spending for spending's sake will build a POOR QUALITY LIBRARY.

4. Apartment - Sub-lease for Summer

Tom Rivers, Instructor ISUE, 214 S. E. 1st Street, Apt. 6. Phone: 423-7402 would like to sub-let his apartment for the summer. If he does not return anyone sub-leasing can keep the apartment and pay the rent to the landlord. Regular rent is \$135.00 per month, but he is willing to sub-lease for the summer at \$100.00 per month to keep from having to pay rent while he is not here. Utilities in the apartment are already paid. If interested please contact Mr. Rivers either at the University or call him at home.

5. Expression of Gratitude

"I wish to express my gratitude to all the wonderful people who have taken such a selfless interest in my case and have gone to the trouble of collecting signatures and signing petitions. Even though I personally shall never be able to return adequate thanks for these efforts, I am sure that the spirit from which such fine actions are inspired will not go unnoticed by those who truly believe in and support the ideals that this country is respected for all over the world."

Signed: Barbara Bernhart.
