November 1, 1972

The Dental Hygiene Aptitude Test, used by a majority of schools for admission to a Dental Hygiene curriculum, will be administered at Indiana State University Evansville on Saturday, November 11, 1972, in the Forum Room. The testing will begin at 8:00 a.m.

The Dental Hygiene Aptitude Testing Program is administered by the American Dental Hygienists' Association.

Indiana State University Evansville in co-operation with Indiana University, offers a dental hygiene program. Further information about the program or the aptitude test can be received through the Office of Allied Health at ISUE.
