More than 600 high school juniors and seniors are expected to attend the Tri-State Business Students Workshop to be held from 9 a.m. to 2 p.m. Thursday, March 14, at the University of Southern Indiana. Registration will be in the Physical Activities Center followed by concurrent sessions in Forums I, II, and III.

Dr. Gregory P. Valentine, assistant professor of business and director of the Center for Economic Education, said the students will attend sessions on job interviewing, teenage credit, how to succeed in college, and future technology and procedures for secretaries and office managers.

Dr. Valentine said area merchants have contributed more than \$3,000 in door prizes for the students, who will come from as far away as Hartford, Kentucky, Mount Vernon, Illinois, and throughout southern Indiana.

The program is sponsored by the USI School of Business and the school's Department of Administrative and Decision Sciences and Business Education. For information, contact Dr. Valentine, at 812/465-1610 or 464-1718.
