**Nineteen Tri-State professionals will receive Certificates in Total Quality Management in a program at 7:30 p.m. Monday, September 18, in the University Conference Center at the University of Southern Indiana, the first group to complete a new program offered through the TQM Center in USI Extended Services.**

**The plaques recognize completion of an eight-month program -- six core courses and a quality practicum. A second program started June 6 and the third will get under way September 28.**

**The first graduates include:**
