

BICENTENNIAL HONOR CELEBRATION. The Clerical and Support Staff Bicentennial Committee, in cooperation with the Personnel Office, is sponsoring a Bicentennial Honor Celebration on May 20, 1976 in the University Center. The event will highlight 17 members of the ISUE clerical and support staff who are being honored for five or ten years of service to the University.

True to the Bicentennial theme, the celebration will feature a "Revolutionary Buffet," patriotic songs, and red, white, and blue decorations. The evening will begin with a social hour at 6:30 p.m.

Proclamation invitations will be issued soon, according to *Mary Lue Russler*, Clerical and Support Staff Bicentennial Committee Chairman. Other persons serving on the committee are *William Simmons*, *Judy Beck*, *Wanda Kirchoff*, *Brenda Mayes*, *Linda Cleek*, and *Margaret Jones*. Make plans now to attend the Bicentennial Honor Celebration!

AMERICAN ISSUES FORUM. The April 7 American Issues Forum will present *Charles Petranek*, Assistant Professor of Sociology, at 7:30 p.m. in A34. The subject of the Forum will be "The Future of the American Family," in which *Dr. Petranek* will explore various family structures of the future, and will show that, due to better technology, families of the future will be given more freedom of choice as to what type of family structure they desire.

BICENTENNIAL CONVOCATION. The Division of Social Science is sponsoring an interdisciplinary convocation in commemoration of the Bicentennial observance during the month of April, according to *Daniel Miller*, Chairman of the Division of Social Science. The first session will be moderated by *Quentin Davis*, Associate Professor of Political Science. *Mr. Davis* will discuss "The Election of 1976" at 9:30 a.m. in Room 294 on April 8, 1976. He will be looking at the prospects for 1976, the issues and forces at work, and discussing selection of delegates and campaign financing as it relates to the 1976 election. The series is open to the public.

HUMANITIES FORUM. The featured speaker for the Humanities Forum on April 8 is *Judy Hummel*, Assistant Director, In-Service Institute. *Ms. Hummel* will discuss "Sex Role Stereotyping" at 1:00 p.m. in the Rare Books Room. In her presentation, *Ms. Hummel* will examine the women's movement as it pertains to public school curriculum materials and teaching methods, and will explore the psychological implications of sex role stereotyping in the schools. The Humanities Forum is open to the public.

"HEARTS AND MINDS" TO BE SHOWN ON CAMPUS. The movie, "Hearts and Minds," winner of the Oscar as the best feature-length documentary of 1974, will be shown in A126 on April 9 for three showings at 2:00 p.m., 7:00 p.m., and 9:00 p.m. The film is a complex, admittedly biased mediation upon American power -- military and economic, political and social -- in the form of an examination of the United States' involvement in the Vietnam War. A critic has written, "As we become further removed from the war, I suspect that 'Hearts and Minds' will reveal itself as one of the most all-encompassing records of the American civilization ever put into one film."

"HEARTS AND MINDS" TO BE SHOWN ON CAMPUS, CONTINUED. The ISUE showing is the first showing for this area. Admission is \$2.00. The film is being sponsored by the ISUE Student Union Board.

MID-AMERICA SINGERS TO HOST BELLEVILLE COLLEGE CHOIR. The Mid-America Singers will be exchanging programs with the Belleville Area College Choir and Chamber Singers of Belleville, Illinois on Friday, April 9 at 2:00 p.m. in the Forum. The Belleville College Choir will perform at 2:00 p.m. and the Mid-America Singers at 3:00 p.m. The Belleville College Choir will be stopping at ISUE as part of their spring tour. The informal performances are open to all students, faculty, and staff of ISUE.

The following Mid-America Singers should be excused from 12:00-5:00 p.m. on Friday, April 9 to host the Belleville College Choir: Wayne Aldridge, Rex Berger, Jim Brantley, Robert Brindley, Pete Helfrich, Kim Hinton, Terri Lutz, Carl Mudd, Stephanie Pearson, Jane Rappe, Greg Townsend, Susan Wedeking, DeeAnn Williams, Patty Schaeffer, Dale Carr, Gail Downen, Jerry Ludwig, Bill Marcus, Gary Ray, Jay Pickleheimer, Dawn Schneider, David Waltz, Richard Kincade, Cindy McKinney, Gary Pfister, and Stan Gregory.

MATHEMATICS CONTEST. The Division of Science and Mathematics is sponsoring a mathematics contest for high school students on Saturday, April 10, 1976. It is open to high school students in Daviess, Dubois, Gibson, Knox, Martin, Perry, Pike, Posey, Spencer, Vanderburgh and Warrick counties in Indiana, and students of neighboring high schools in Kentucky and Illinois. Certificates of achievement will be presented to the winners. Dr. Victoria Pohl is the contest coordinator.

CAMPUS APARTMENTS OPEN HOUSE. Bob Griese, quarterback of the Miami Dolphins, will be signing autographs and giving away Dolphin decals during the open house of Campus Apartments, the new apartment complex within walking distance of the campus, on Sunday, April 11, 1976 from 1:00 p.m.-5:00 p.m. Model apartments will be open for visitors to tour. Campus personnel are receiving a special invitation from Bill Griese, the apartments' manager, to meet their newest neighbor.

ALUMNI ASSOCIATION '76 TELEFUND. The final three days of the Alumni Association Telefund will be on April 12, 13, and 14. William Burgdorf, ISUE 1971 graduate and Chairman of the 1976 telefund, estimates that over 2,000 alumni will be contacted by the end of the telefund. Seventy-two alumni have volunteered to do the phoning. A goal of \$7500 has been set for the '76 telefund. Proceeds from the telefund will benefit the alumni scholarship program and other activities of the Alumni Association.

STUDENT TEACHER PANEL DISCUSSION. A Student Teacher Panel Discussion will take place on Tuesday, April 13 from 2:00-3:30 p.m. in L106. Topics of discussion will be discipline in the schools, administrative problems, parent-teacher conferences, extra-curricular activities in the schools, and the value of education classes taken at ISUE. Members on the student teacher panel include Marti Spangler, Jerry Igleheart, Tom Bennett, Joyce Hendricks, and Vera Chanley. Sponsored by the Student Education Association, the panel discussion will be open to the public.

LIBRARY BICENTENNIAL LECTURE SERIES. The Evansville Public Library and Vanderburgh County Public Library Bicentennial Lecture Series will feature *Johnny Reising*, Instructor in Life Science, on April 13, 1976. Mr. Reising will discuss "Man and His Environment" at 7:00 p.m. at McCullough Branch Library.

SPRING NONCREDIT SERIES. Twelve courses are being offered in the spring noncredit series by the Office of Continuing Education. The courses are offered for those interested in learning a new creative skill, or for persons wanting more information on particular topics. Three of the twelve courses being offered include Understanding the Metric System, Small Gasoline Engine Maintenance and Repair, and Beginning Tennis for Adults.

In the course, Understanding the Metric System, students will learn about America's newest revolution. The background of the metric system, comparison with the American system, and problems of conversion will be covered. *Charles Bertram*, Chairman, Division of Education and Associate Professor of Mathematics, will conduct the course for six Tuesdays, beginning April 13, at 7:00 p.m. in L105. The registration fee is \$20.00.

Small Gasoline Engine Maintenance and Repair is being offered by *Larry Goss*, Associate Professor of Engineering Technology, on April 19, 20, 26, and 27 beginning at 7:00 p.m. in Room 114, Technology Center. The course will cover instruction in disassembly, inspection, repair, and reassembly of small (single cylinder) two and four cycle gasoline engines of the type used on lawnmowers, tillers, chainsaws, etc. Hands-on experience in the repair of an engine of the student's choice. Students must provide the engine on which they wish to work. All necessary tools for the course are provided. The registration fee is \$20.00.

Jack Marr, ISUE Varsity Tennis Coach, will conduct a course in Beginning Tennis for Adults for four Tuesdays and Thursdays. Two sessions scheduled to begin on April 19 have already been filled, therefore three additional sessions have been scheduled to begin on May 11. Section I will be offered from 10:00-11:00 a.m., Section II from 6:00-7:00 p.m., and Section III from 7:30-8:30 p.m. Basic tennis strokes, footwork, rules, court positions, strategy, safety and court etiquette will be covered. Participants must furnish racquet and balls. The registration fee is \$22.50.

The noncredit courses are open to anyone, regardless of educational background, and are presented in a noncompetitive, informal atmosphere where interest in learning is the primary consideration. No grades are assigned, no academic credit is given, and formal admission to the University is not required. For additional information about other noncredit courses being offered, or for registration materials, contact Ext. 363.

PROSPECTIVE STUDENT AND PARENT DAY. High school juniors and seniors and their parents will have the opportunity to examine college life at the ISUE Prospective Student and Parent Day on April 14, 1976. Students and parents can meet with faculty of the academic divisions and discuss career ambitions, academic programs, testing opportunities, financial aid, and student life at ISUE. Prospective Student and Parent Day will begin with a 10:00 a.m. meeting with faculty to discuss course requirements and career opportunities. This meeting will be held in the University Center. Tours of campus will be provided as well as lunch for each student and parent. Admission requirements, costs and financial aid will be discussed in an early afternoon session. Prospective Student and Parent Day is being sponsored by the ISUE Office of Admissions.

EASTER EGG HUNT. An Easter egg hunt will take place on campus Saturday, April 17, 1976 beginning at 10:00 a.m. Children of ISUE students and employees, up to the age of 10, will hunt for Easter eggs and special prize eggs. Age groups will be divided so all ages will have an opportunity to get lots of eggs. The Easter Bunny will be on campus to hand out prizes and talk with the children.

Plan to bring your children to the first ISUE Easter Egg Hunt. Children should bring their own baskets. The Easter Egg Hunt is being sponsored by the ISUE Student Union Board.

EAGLE GRAN PRIX COMING SOON! Time trials for the Eagle Gran Prix Bicycle Race will take place on Saturday, April 17 from 9:00 a.m.-3:00 p.m. The race is scheduled for the following Saturday, April 24, and will be run on the boulevard in front of the Library and the Technology Center, with the pit crews located in the Technology Center parking lot. (In case of rain, the race will be run on Sunday, April 25.) Opening ceremonies will begin at 12:00 noon, with the women's race scheduled to begin at 1:00 p.m. and the men's race at 1:45 p.m.

Set-up time has been scheduled from 7:00 a.m.-12:00 noon on the day of the race. "Each team is required to send one representative to help set up for the race," comments Dave Broderhausen, ISUE freshman and Chairman of the Eagle Gran Prix. "Failure to do so will result in three penalty laps. The penalty will be made against the first rider, who will be required to ride one pace lap, one regular lap, plus the three penalty laps -- a total of five laps or two miles," adds Dave.

Teams competing in the 5-mile women's race include Alpha Sigma Alpha, Phi Beta Chi (3 teams), Sigma Tau Hustlers, Alpha Omega Psi Little Sisters, Sigma Sigma Sigma (2 teams), and Sigma Kappa. Competitors in the 32-mile men's race include Phi Alpha, Flying Spokes, Sigma Tau Gamma (2 teams), Sigma Epsilon Chi, Peddlin Pootangs, Alpha Omega Psi, Tau Kappa Epsilon (2 teams), Chi Gamma Iota, and The Rolling Stone.

The winners of each race will receive a 1st place team trophy plus individual trophies for each of the team members. Teams who place 2nd and 3rd in each race will also receive team and individual trophies. In addition, two trophies will be given to the man and woman who qualify the fastest riding time throughout the race.

When asked who he felt would be the top contenders in each race, Dave predicted Phi Beta Chi, 1975 Champions, to be the team to beat in the women's race. Commenting on the men's race, Dave feels Phi Alpha will be the top contender, with very keen competition coming from Chi Gamma Iota, 1975 Champions.

With most of the necessary arrangements made for the '76 Eagle Gran Prix, Dave finds he has learned quite a lot from serving as Chairman. "I've learned to use my time more wisely, to be a better organizer, and to delegate authority. But most importantly," Dave adds, "I've gotten to know many people on campus who I never would have met had it not been for the Gran Prix. And to all those who have helped me in any way to prepare for this race, I would like to extend a special thanks!"

STUDENT SHOWING IMPROVEMENT. Ellen Funkhouser, ISUE student injured in automobile accident at the entrance of campus, is showing signs of improvement. Cards can now be sent to her at the hospital, Room 1526, Welborn Memorial Baptist Hospital.

ISUE PROFESSOR RECEIVES GRANT. Thomas Wilhelmus, Assistant Professor of English, was one of twelve persons chosen out of a field of 300 to receive a grant to attend an 8-week seminar at Claremont Graduate School, Claremont, California. The seminar, to begin on June 21, 1976, will deal with "Myths, Symbolic Modes, and Ideology," and will be directed by Albert J. Friedman, Professor of English, Claremont Graduate School. The seminar will require a research paper. Dr. Wilhelmus plans to delve into the novel and popular culture. The purpose of the seminar is to provide professors at small four-year colleges the opportunity to do research, and benefit from seminar topics. The seminar is being sponsored by the National Endowment for the Humanities Summer Seminar Program.

ANNUAL BASKETBALL AWARDS BANQUET. The ISUE Varsity Club hosted the Annual Basketball Awards Banquet on Wednesday, March 31 at the Alpine House. It marked the first year for women's basketball at ISUE.

Monica Robinson, Women's Basketball Coach, introduced her squad and presented awards to Debbie Schutte, sophomore, Most Valuable Player; Debbie Teer, Junior, Honorary Captain; and Nancy Neufelder, senior, Screaming Eagle Award.

Wayne Boultinghouse, Basketball Coach, introduced the Eagles athletic staff and 1975-76 team members, and presented the awards to the men's team. Ernie Brothers, senior and all-time leading scorer, was presented the Kiwanis Basketball Award for attitude, academics, and team leadership. DeJuan "Spider" Rowser, junior, was presented the Most Valuable Player Award for the second straight season. DeJuan also received the Honorary Captain Award. The Screaming Eagle Award was given to Tony Williams, junior.

All of the award recipients, for both the men's and women's teams, are voted on by their teammates. There were 125 persons in attendance at the banquet.

COACH BOULTINGHOUSE SIGNS FIRST RECRUIT FOR NEXT YEAR. Nelson Faulkner, a 6'3 1/2" guard, has decided to return to Evansville to play for the ISUE Eagles for the next two years. A 1974 graduate of Bosse High School, Nelson led the Bulldogs to the Evansville sectional crown twice. He made All-City and All S.I.A.C. in both his junior and senior years.

Now attending Muscatine Community College, Iowa, Nelson played guard last fall and lead the team to an 18-8 season. In spite of the fact that he did not start the first seven games, Nelson still managed to lead the team in scoring and rebounding.

Coach Boultinghouse noted that "after investigating Nelson's situation, we found that he was experiencing a tremendous year." Needless to say, Coach Boultinghouse is delighted that Nelson decided to join the Eagles ranks.

ISUE WINS TABLE SOCCER TOURNAMENT. A two-month long table soccer tournament between the University of Evansville and ISUE came to a close on March 28. The competition started out on the respective campuses with tournaments to decide which two teams would represent each University. Representatives of ISUE were Mark Hassel and Howard Wells on the first team, and Carlos Vanover and Randy Hammond on the second team. The top two teams from each university met four times, alternating sites between ISUE and UE. ISUE came out on top in both the number of games and matches won, to be declared the first champion in this competition. A traveling cup is on display in the University Center Recreation Room.

CURRICULAR COMMITTEE ACTION. The Curricular Committee has given its initial approval for curricular changes in the Division of Humanities.

Modified Course

COMM 291 Radio/Television Workshop -- Change in prerequisites to read "251 and/or 352, plus written consent of instructor."

New Course

Eng 210 Technical Writing, 3 hours.

- Catalog Description:
- Prerequisites - English 101, Freshman English, is a prerequisite for students enrolled in engineering technology programs. Non-technology students, after completing required composition courses, may take English 210 as a non general studies elective.
 - Description - The fundamentals of technical communication with emphasis on clear, precise, and orderly exposition.

PEOPLE IN THE NEWS.

MR. and MRS. CHARLES M. LONNBERG were adjudicators for the Indiana Federated Music Club Contest, held at ISUE on Saturday, April 3, 1976, involving over 200 area music students.

ROBERT E. MAYS, Director of Student Teaching and Associate Professor of Education, was recently awarded a plaque at the First Annual Awards Banquet, sponsored by the Community Action Program of Evansville. The plaque was awarded for Outstanding and Dedicated Service to Project Headstart and the Community Action Program of Evansville.

MARKETPLACE.

FOR SALE: 95" sofa, striped cut velvet with loose pillow backs. Two coordinated chairs in olive green cut velvet. All three pieces like new. For further information, contact Susanna Chastain, Ext. 267.

FOR RENT: 3-bedroom house in suburban McCutchanville while professor is on leave in California, June 15 to August 13, 1976. For further information, contact Dr. Thomas Wilhelmus, Ext. 247 or 867-3773.

CAFETERIA MENU.

Wednesday, April 7

- 1) Fried Chicken
- 2) French Dip Sandwich
- 3) Spanish Rice

Thursday, April 8

- 1) Stromboli Day
- 2) Ham & Hash Browns
- 3) Chinese Chicken

Friday, April 9

- 1) Fish Filet
- 2) Chinese Pepper Steak
- 3) Sloppy Joes

CAFETERIA MENU, CONTINUED.

Sunday, April 11

Monday, April 12

Tuesday, April 13

Wednesday, April 14

Buffet -- 11:00-1:30

- 1) Grilled Reuben
- 2) Roast Beef
- 3) Spaghetti

- 1) Taco Day
- 2) Hoagies
- 3) Swiss Steak

- 1) Fried Chicken
- 2) Liver & Onions
- 3) Turkey Pot Pie

POSITIONS AVAILABLE. The following positions are available as of April 1, 1976. Indiana State University Evansville is subject to the requirements of Executive Order 11246 and is an affirmative action employer. All interested persons are encouraged to apply. Contact the Personnel Office to apply except where otherwise indicated.

FACULTY POSITIONS

Dental Hygiene
Instructor

Allied Health
Division

Should be dental hygienist with baccalaureate degree and teaching and clinical experience. Ten-month appointment beginning August 1, 1976. Apply with resume to Dr. Gordon Kelley, Director of Allied Health.

Dental
Laboratory
Technology
Program
Supervisor

Allied Health
Division

Must be certified dental technician with teaching and administrative experience. Should have minimum of baccalaureate degree. Twelve-month appointment with new program beginning July 1, 1976. Apply with resume to Dr. Gordon Kelley, Director of Allied Health.

Social Science
Faculty person

Social Science
Division

Will have primary responsibility in teaching social work courses and counseling social work minors. Ph.D. preferred with minimum of ABD or MSW. Varied applied experience desired. Beginning Fall, 1976. Apply with resume to Dr. Walter A. Hopkins, Division of Social Science.

Geophysicist
Faculty person

Division of Science
and Mathematics

Ph.D. or Masters with practical experience. Will teach undergraduate geophysics, physics, physical geology, assist in developing Earth Science program. One-year appointment, available Fall, 1976. Apply to Dr. Melvin Denner, Acting Chairman.

POSITIONS AVAILABLE, CONTINUED.

CLERICAL/SUPPORT POSITION

Secretary II	Engineering Technology	Able to work closely with students, prospective students, faculty and industry representatives. General office responsibilities including 50 wpm typing and limited dictation. Engineering/science background helpful.
Assistant in Biochemistry	Center for Medical Education	Bachelors degree in biology or chemistry is a minimum requirement. Masters in biochemistry or Ph.D. desirable. Also will be responsible for care and use of laboratory instruments. Will assist in and prepare materials for research and teaching experiments. Experience in these areas desirable and will be considered in lieu of formal education.

"If you stick a stock of liquor in your locker
 It is slick to stick a lock upon your stock,
 Or some joker who is slicker's going to trick
 you of your liquor. . .
 If you fail to lock your liquor with a lock."

--Newman Levy
