FACULTY ART SHOW

An art show by seven members of the ISUE faculty and staff will be on exhibit at the Old National Gallery beginning September 15.

Participating artists will be Jack Cascione, Assistant Professor of Art; John Dawson, Staff Photographer;

Daniel Engelke, Assistant Professor of Art; Ramona Hinton, Assistant Professor of Art; John McNaughton, Assistant Professor of Art; Kenneth Vance, Assistant Professor of English; and Barry Weissmann, Art Lab Supervisor. The display will include ceramics, photography, prints, sculpture, and painting.

A reception will be held on the opening day of the show, September 15 from 1:00 p.m. to 4:00 p.m. to meet and talk with the artists. The ISUE Faculty Art Show will run until September 30.

ALPHA OMEGA PSI MAJOR CONTRIBUTOR TO MUSCULAR DYSTROPHY CAMPAIGN

The Alpha Omega Psi Fraternity presented \$1,257.81 to the Jerry Lewis Muscular Dystrophy Association Telethon on September 2, 1974. This year's collection was approximately 10% more than last year, and again was one of the largest contributions in the tri-state area.

Last year their \$1,100 contribution made national news when it was announced on the national network on the Jerry Lewis Telethon. This year several universities across the country presented Mr. Lewis with contributions of \$10,000 to \$25,000. The Alpha Omega Psi Fraternity are hopeful that their contribution and its announcement on national network last year precipitated this year's contributions by other universities.

If there are any questions on this new rule, please contact Jim Brown or Jane Davis.
