SGA plans spruce up, start of Safe Ride

The Student Government Association has two major events slated in late April, one enlisting students in campus improvements and the second providing assistance to students in emergency situations.

The campus improvement on Sunday, April 21, will start at 8 a.m. with landscaping around the new apartment units in McDonald West and branch out to O'Daniel and the main campus, time and materials permitting.

Ms. Debbie Duren, SGA president, said at mid-week she has 160 student volunteers signed up to assist with planting the trees and shrubs and applying mulch that will be supplied by the Physical Plant. She said they can use assistance with equipment, however -- wheelbarrows, shovels, rakes, hoses, and brooms. Additional volunteers will be welcomed, also.

Mr. Donald Fleming, grounds supervisor, said they have some equipment to help out but not enough to equip 160-plus volunteers. He suggests that perhaps volunteers can bring their own shovels and rakes. If anyone in the campus community has equipment to loan out, it would be appreciated.

The Safe Ride program will be initiated via a

press conference at 11 a.m. Thursday, April 25, on the UC Mall. USI President H. Ray Hoops will make the official announcement. Also on hand will be Mr. Derek Dillon, owner of Yellow Cab Company, which will participate in Safe Ride.

Ms. Duren said they are initiating the program because they have found local companies are interested in participating, but want the program in place first.

Safe Ride is intended to aid students caught up in an emergency without financial ability to escape. Anyone needing to get away from a situation involving drugs, alcohol, or physical abuse, for example, will be able to call a taxicab. The cab driver will supply a voucher to be signed by the student and paid by the University.

Ms. Duren stresses that this is assistance in an emergency and students should be aware that they ultimately must reimburse the University for the ride home or wherever they need to go, thus creating a revolving fund to keep the program available to students in future emergencies.

SGA continues to seek donations to the Safe Ride fund. Contact Ms. Duren at extension 1873 for information on either the spruce up campaign or Safe Ride.

The Student Government Association awards program will be held at 4:30 p.m. Thursday, April 18, in the UC Dining room.

The annual Greek Awards Program will be held at 4 p.m. Tuesday, April 23, in the UC Dining Room.

The Student Life Awards Banquet will be held at 6 p.m. Wednesday, April 24, in the UC Dining Room.
