## FALL DEAN'S LIST RELEASED BY USI

For Immediate Release  
January 27, 1993

The Dean's List for the 1992 Fall Semester has been released by the University of Southern Indiana. Dr. Robert L. Reid, vice president for Academic Affairs, reported that 671 students were named to the latest honors list.

Students must achieve a 3.5 or better grade point average (on a 4.0 system) to be named to the list. Honor students for the fall semester include:

(See attached lists for students from your area. The effort is to place students in county of origin where possible but there are numerous listings that cross county lines; there will be some duplication in the effort to list students appropriately, sometimes using both current and hometown addresses. Addresses are available by request.)
