HEAD COACH GARY REDMAN

Gary Redman enters his third season at the helm of the Screaming Eagles baseball team and will be looking to take his team to the NCAA Division II playoffs for the second season in a row. Redman, in his two years at USI, has a 53-46 record and is 214-147 over his 13 years of coaching baseball. His teams over the past ten years have a combined batting average of .302 (2499/8265), including last year's USI team average of .302.

He graduated from USI in 1975 with a bachelor's degree, majoring in mathematics and minoring in physical education. While a student, Redman produced the 14th highest batting average for a single season in the school's history.

Redman formerly was the head baseball coach at Northeast Dubois High School, in Dubois, Ind. for eight years, winning the Blue Chip Conference in 1981 and 1987; having state-ranked teams in 1984 (13th) and in 1987 (6th); named Regional Coach of the Year in 1984 and 1987.

Baseball was not Redman's only sport at Dubois. He also was varsity basketball assistant coach for two years, head tennis coach for one year, freshman basketball coach for one year and eighth grade basketball coach for five years. The 36-year-old coach is also active in assisting the many community baseball leagues. He has worked summer camps for younger players for the past 13 years and volunteers his services when needed.
