

EVANSVILLE CAMPUS NOTES

ISUE

December 9, 1968

Notes for faculty and staff will be distributed on Monday of each week, if news items are available. Please give notices which should appear in a particular issue of CAMPUS NOTES to Duffie Barton prior to 4:00 P. M. on Thursday, or leave items in her box before Monday.

1. ROTC Program

We have placed in faculty boxes a brochure explaining the ROTC program which is available to the students transferring to the Terre Haute Campus for their Junior year. To avail themselves of the opportunity they need to complete the applications enclosed in the brochure not later than January 15, 1969.

As you advise students who are planning to transfer to Terre Haute they should be apprized of this opportunity. If you identify such students please call their names to the attention of the Area Head in order that we can accumulate a list of the students interested in such a program.

If enough interest in such a program develops we could probably also develop a similar relationship with the Air Force ROTC at the University of Evansville, beginning in the Freshman year and continuing through the full four year program of students.

2. New Harmony Study Tour
